PROFILE

I am a passionate and dedicated Laravel developer with a strong enthusiasm for creating robust, efficient, and user-friendly web applications. With 2.5 years of experience in the field, I have honed my skills in both front-end and back-end development to deliver high-quality software solutions. My technical expertise, combined with my creative problem-solving abilities, allows me to tackle complex challenges and produce exceptional results.

WORK EXPERIENCE

Laravel Developer at (Softsaro Pvt.Ltd)

NOV 2022 - PRESENT

PROJECTS

NauloPasal

A multi-vendor e-commerce platform that enables various sellers to list and manage their products online, offering customers a wide range of categories including electronics, fashion, and home goods. The website supports secure transactions, vendor dashboards, and customer order tracking to streamline the online shopping experience.

<https://naulopasal.com/>

Deglamora

Deglamora is a Single Vendor E-Commerce Website. It has a admin portal that allows admins to list products based on categories and brands with the attributes having a price variation along with the feature like order tracking and filters with secure payment options.

<https://deglamora.com/>

Daleybhai

A real estate web platform designed to simplify property transactions by providing comprehensive listings for buying, selling, and renting residential and commercial properties. The platform aims to connect buyers, sellers, and renters through an easy-to-use interface and localized property search.
